Helping you connect with your local customers

Promote Your Local Business with Local Search Marketing

Studies have shown that most folks are searching on-line for products and services that they plan to purchase off-line and locally. Local Search Marketing is the process of promoting your business on-line to tap into this growing market.

It is all about increasing your on-line visibility. Local Search Marketing just makes good business sense and something that small businesses cannot ignore any longer.

LocalBizBits.com, our local search marketing blog provides information, tips, industry updates, interviews, and more to give small businesses, like yours, the information they need to understand Local Internet Marketing.

Our **enhanced local search submission service**, does two critical things to help your on-line visibility. First we will pull together all your important business information and submit it to over 80 local search engines and directories such as:

Google Maps
 Yahoo Local
 MSN Local
 YellowPages.com
 Superpages.com
 Dexknows.com
 Openlist
 Comcast.net Search
 MerchantCircle.com
 Best of the Web Local
 WhitePages.com
 and many more....

We will be able to easily update and edit your listings after it has been submitted.

After your listing has been created, we will be able to update and edit it very easily.

The second component is to create an enhanced, customized search engine friendly business profile page at **LocalBizProfiles.com**.

This unique, business profile page can act as a web site or compliment an existing web site.

With your business profile page you can do a ton of things that you could not with a standard web site:

Create

- List your Business Info
- Get Embedded Map
- Upload Pictures & Videos
- Various Business Sections
- Lots of Simple Tools!

Enhance

- Create Coupons
- Advertise Specials
- Post Job Listings
- Write Blogs
- Start your Business Network!

Control

- Site Statistics
- User Communications
- Ratings and Reviews
- Colors & Layouts
- Distribution Settings

Promote

- Search Engines
- Local Classifieds
- Google Maps Coupons
- Facebook, MySpace
- Promote with Widgets

Go to a peak at what the LocalBizProfile.com directory looks like and can offer your business. This directory is growing daily. To get the best pricing and services, you need to contact Larry directly (larry@localbizBits.com or 706-825-8017). **Currently this services is very affordable at only \$12.50/month with a 12 month contract.**

Internet marketing is many times timing...the time is now to act. Do not wait for your competition to beat you to those local customers on-line!
